PROFIT WARNING

This announcement is made pursuant to Rule 13.09(2)(a) of the Listing Rule and the Inside Information Provisions under Part XIVA of the SFO.

The Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a net loss (after taking into account the change in fair value of conversion option of the First Tranche Convertible Notes) for the nine months ended 30 September 2013 as compared to a net profit for the corresponding period of 2012 (both results were unaudited).

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by the board (the “Board”) of directors of LifeTech Scientific Corporation (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (the “SFO”).

After preliminary review by the Company's management based on the management accounts of the Group, the Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a net loss (after taking into account the change in fair value of conversion option) for the nine months ended 30 September 2013 as compared to a net profit for the corresponding period of 2012, primarily due to the following reasons:

- (i) the record of the change in fair value of conversion option of the First Tranche Convertible Notes (as defined in the circular of the Company dated 6 January 2013) issued on 30 January 2013 at the principal amount of HK\$152 million, which are convertible into 40,000,000 new Shares at the initial conversion price of HK\$3.80 per conversion share (subject to adjustments). As at 30 September 2013, the change in fair value of conversion option was approximately RMB67.6 million;
- (ii) there has been an increase of finance cost arising from the First Tranche Convertible Notes;
- (iii) there has been an increase of administration expenses; and
- (iv) since the completion of the acquisition of Broncus Holding Corporation ("Broncus") in June 2012 by the Group, there has been a significant increase in the share of post-acquisition losses of Broncus for the nine months ended 30 September 2013 as compared to the corresponding period of 2012.

Based on the fact that the Group has recorded profit for the nine months ended 30 September 2013 before taking into account the change in fair value of the First Tranche Convertible Notes which are non-operating and non-cash in nature, the Board is of the view that the Group's operating financial positions are healthy and the Board remains positive on the prospects of the Group.

The Company is in the process of finalizing the Group's unaudited quarterly results for the nine months ended 30 September 2013. The information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the current unaudited consolidated management accounts of the Group. Shareholders of the Company and potential investors are advised to refer to the details of the Group's quarterly results for the nine months ended 30 September 2013, which is expected to be released on 14 November 2013.
